Handwritten text in Khmer script, likely a manuscript or historical document. The text is arranged in approximately 10 horizontal lines across the page. The script is dense and characteristic of traditional Khmer writing. The document appears to be a record or a list of items, possibly related to a collection or inventory, given the repetitive structure of some lines. The text is written in black ink on aged, yellowish paper.

Handwritten Khmer text on aged paper, likely a manuscript or historical document. The text is arranged in approximately 10 horizontal lines, written in a cursive script. The ink is dark brown, and the paper shows signs of age, including yellowing and some staining. The text is dense and covers most of the page.

Handwritten text in Khmer script, likely a historical document or manuscript. The text is arranged in several lines across the page. The script is dense and characteristic of traditional Khmer writing. The document appears to be a record or a list of items, possibly related to a royal court or administrative matters, given the formal nature of the script and the use of specific characters and symbols.

Handwritten text in Khmer script, likely a historical document or manuscript. The text is arranged in approximately 10 horizontal lines across the page. The script is dense and characteristic of traditional Khmer writing. The document appears to be a record or a list of items, possibly related to a royal court or administrative matters, given the formal nature of the script and the presence of what might be titles or official names. The text is written in dark ink on aged, slightly yellowed paper.

Handwritten text in Khmer script, likely a list or index. The text is arranged in approximately five horizontal lines. The characters are dark and somewhat faded, typical of an old manuscript. The script is a traditional Khmer style, possibly from the 18th or 19th century. The text appears to be a list of items or names, with some characters being larger or more prominent than others, possibly indicating a title or a specific category. The overall appearance is that of a well-used, aged document.

Handwritten text in Khmer script, likely a manuscript or list. The text is arranged in several lines across the length of the page. It includes various characters, some of which are circled or marked with dots, possibly indicating specific items or sections. The script is dense and appears to be a form of Khmer used in historical or religious contexts.
