Handwritten Burmese script on aged paper, likely a manuscript or historical document. The text is arranged in several horizontal lines across the page.

Handwritten text in Burmese script, organized into four columns. The script is cursive and appears to be a historical record or a list of items. The text is written on aged, slightly discolored paper. The columns are separated by vertical lines or spaces. The first column on the left contains text that is partially obscured by a dark mark. The second column contains text that is also partially obscured. The third and fourth columns contain text that is more legible. The text is written in a style that is characteristic of traditional Burmese handwriting.
